Title: God comes to us again and again

Introduction:

- We have the same Bible.
- We have one church and one faith.
- We believe one Lord, but Triune God.
- God the Father, God the Son, and God the Holy Spirit have existed from the beginning.

John 1:1-3

Genesis 1:1-2

1. The Bible is God's coming story.

God comes to us, by prophets, kings, priests and his mighty hands.

2. God the Son comes to us.

John 1:14

Jesus came to us to die on the cross.

Who crucified Jesus?

After Jesus has risen, he comes to us again and again.

3. God the Holy Spirit comes to us.

Joel 2:28-29

John 14:16-17

John 16:7, 13

Acts 2:1-4

4. The Holy Spirit is within us if we believe in Jesus.

1 Corinthians 12:3

Romans 8:9

The Holy Spirit lives in us.

He makes us alive.

He gives us life.

*If we are filled with the Holy Spirit, we become a fire,
which change and burn the whole world.*
